About:

I am Ahmed Hussein, a Full Stack Developer skilled in creating optimized digital solutions. With a degree from the Faculty of Computers and Artificial Intelligence at Cairo University, I bring a solid foundation in software engineering. I have over 2 years of front-end experience using React, TypeScript, and Next.js to build dynamic user interfaces and over a year of backend experience with Node.js, developing scalable server-side applications. My focus is on delivering seamless user experiences with high-quality code.

Education:

- Computers and Artificial Intelligence, *Cairo University* 9/2020 – 6/2024

Experience:

- Full Stack Developer at Codeyconnect 12/2024 – 4/2025
